Professional Pass-through Warewasher

Smartwash

Pass-through Warewasher

The New Smartwash Range of Pass-through warewashers are the first attractive, intelligent, one touch warewashing system in Australia that offers incredibly sustainable results in water and energy consumption. This professional warewasher offers the first one touch control panel with digital wash and rinse temperature displays for easy HACCP recording for accurate food safety reporting.

These machines are sleek and compact because we know space is of the essence and presentation is key.

Only Smartwash offers you a warewasher with one touch control, drain detergent & rinse aid pumps fitted as standard, a self cleaning cycle and 3 wash cycle options, offering you an economical and sustainable solution for your business.

Water saving - uses only 2.3 litres per cycle

User friendly TOUCH control panel with digital wash and rinse temperature displays for easy HACCP recording

Three wash cycles of 60, 90 & 120 seconds

Built-in detergent and rinse aid pump fitted as standard

Huge 465 mm opening for large items e.g. Pots

Self cleaning cycle

Insulated eco hood for energy saving and noise reduction saves up to 0.5 kW per hour

- A. Drain Connection 20mm ID Hose
- B. Water Connection 3/4" x 1.5 Braided Hose
- C. Electrical Connection 3 phase (415V/50Hz/3ph+N+E)

SW900X
